Mr. Clore further stated that we were ahead of schedule on payments. The Rev. Mr. Boydston confirmed this statement.

Bishop Kinsolving expressed his hope that by the middle or end of 1959 we can ask for diocesan status, but that we must be financially prepared before we ask for it. The Bishop spoke further to urge collection of the pledges and also announced that in preparation for diocesan status, we needed to have diocesan canons drawn up. The Bishop closed his remarks with an appeal to get the collections out of the way.

if desired. No request for another election was forthcoming. Bishop Kinsolving paid tribute to Mrs. Rudolph for her past service and expressed his regret over her leaving.

May the Grace, Love, and Fellowship of our Triune God be with us all at this 64th Annual Convocation. This includes also our distinguished guests,—Miss McKim, Mrs. Gordon, Bishop Clements. It also extends to the congregations you shepherd as clergy and represent as delegates and representatives of the Woman's Auxiliary.

The Rt. Rev. Martin J. Bram, Suffragon of South Florida, Feb. 9th
The Rt. Rev. George W. Davenport, Retired Bishop of Easton, July 25th
The Rt. Rev. Stephen E. Keeler, Bishop of Minnesota, September 25th
The Rt. Rev. Robert H. Mize, Retired Bishop of Salina, April 1st
The Rt. Rev. Clinton S. Quinn, Retired Bishop of Texas, November 29th

From our own ranks of the clergy:

The Rev. Edward L. Freeland, missionary extraordinary in many Arizona congregations, active until his death which he met with highest christian courage, on May 17th.

The Rev. Raymond Arthur Kurtz—beloved Rector for the past thirteen years of St. Stephen's Parish, Douglas, died on December 19th. After a fruitful ministry in the East, he overcame the disability of tuberculosis and came to us. Diabetes did not deter his devoted ministrations. But his great heart finally tired. Not only his parish, but all sorts and conditions of men and women still mourn the passing of this Christlike spirit.

We have lost, awhile also, the following among the laity who have been distinguished for their service to their congregations:

Mary L. Downing—Co-Founder of St. Paul's, Phoenix
Roger I. C. Manning—formerly of Trinity Cathedral—Co-Founder of All Saints, Phoenix
Mr. L. Logan—Co-Founder of Epiphany-on-the-Desert, Gila Bend
Edwin S. Mills—All Saints, Salome
Robert Kirby—St. Paul's, Tombstone
Dr. Frederick L. Bailey and Earle Harrison Bailey—St. Andrew's, Tucson
Herman Medlen—St. Andrew's, Nogales
Hiram R. Stowe—Ida Stanley—St. Luke's, Prescott
Joseph Reeder, Ernest Westerberg, Mrs. Lela D. Chesney, Mrs. Charles Post Everett S. Hardell, Robert F. Richards, Mrs. Frederick G. Floyd, Mrs. Thekla Bowers, Marian Briggs Palmer—Grace Church, Tucson
Joseph T. Joesler, Architect of St. Philip's In The Hills, Tucson

Let us Pray—Remember all these Thy servants, O Lord, according to the favour which Thou bearest unto Thy people, and grant that, increasing in knowledge and love of Thee, they may go from strength to strength in the life of Perfect Service in Thy Heavenly Kingdom, through Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Ghost ever, one God, world without end. Amen.

Ordinations during the past year have given us the Rev. Dr. Claude C. Boydston as Rector of St. Mark's Parish, Mesa, and Vicar of St. Matthew's Mission, Chandler; the Rev. John Becker, Vicar of the Church of Our Saviour in McNary and of St George's Mission, Holbrook.

INSTITUTIONS

The Arizona Church Conference Center continues to serve our own two Conferences, and, in spite of many denominations constructing their own centers, there are enough who use it to justify its maintenance.

St. Luke's in the Desert, Tucson, ministering to convalescent tubercular men is seeking to widen its service with a survey of needs. Its Board has the continued support of a devoted group of women who serve on the Board of Visitors and who give annually a great Charity Ball among many other benefits.

St. Luke's Hospital, Phoenix, will celebrate its 50th Anniversary on St. Luke's Day, October 18th. It began as a Tubercular Rest Home. Today, it is an Accredited General Hospital. The transition has been accompanied by many growing pains. The care and nurture of this Institution has been the concern of the most honorable list of devoted citizenry of every interest, faith, and denomination, from Bishop Atwood and the Rev. Bertrand Cocks, to Carroll Phelps and today, Walter Montignani. The Bishop of Arizona must be President of the Board by law. By the law of duty, he must be away from Phoenix much of the time. I wish to pay tribute to those busy, loyal, hard-working men of the Board for their contribution of time and substance. And, with them, we must pay homage to the Ladies of the Board of Visitors, who not only visit and minister, but administer that most delightful anesthetic of financial extraction known as the St. Luke's Ball: It does contribute tremendously to our support. They now have provided two special visitors a day who minister to the needs of the patients. The Rev. William Pottenger is our Chaplain of this Hospital.

ARMED FORCES

The National Council assists in the work among members of our Church at Davis-Monthan, Williams, and Luke Fields. The Rev. Lewis Sasse, the Rev. Dr. Claude C. Boydston, the Rev. E. Otto Gallagher, being the clergy appointed to these three Posts, respectively. We have already welcomed to the District Chaplain (Major) Howard B. Scholten of the Chaplains Corps of the U.S. Air Force, who is stationed at Luke Field. He is the second Episcopal Chaplain to be stationed in Arizona in the past ten years.

During the past year, the Rev. Dr. Boydston conducted a Mission at Williams Field, and it was my privilege to conduct a Mission at Luke Field.

COLLEGE WORK

Arizona State College, Flagstaff. This work is aided by a grant from the Division of College Work, and the influence of our Church is ably carried out by the Rev. Dallis Lee Harris, Rector of Epiphany Church, Flagstaff. The Church buildings are near enough to the campus to be used for the Canterbury Club, and the place that this clergyman has made for himself at this College, has enabled him to have a wide influence both among the faculty and the students, many of whom are members of Epiphany Church. He has also taught courses there, and very recently brought a very able, young teacher to the ministry of this Church. He is a Postulant at the present time.

St. Paul's Memorial Chapel and Episcopal Student Center, University of Arizona, Tucson. The Rev. Thomas A. Bogard is the Vicar and Chaplain respectively in this developing enterprise. The congregation is as gallant as it is small, numbering less than 100 communicants. It has steadily helped to take care of the expenses of the Chapel, and reduced the debt made necessary by its construction. The Bishop's Committee and the Board of the Student Center has watched over the destinies of these two organizations which will always be carried on together. Already you have heard that, due to the necessary expansion of the University of Arizona, our property there has been condemned, and we will be recompensed for this loss. However, we are waiting eagerly hopefully, and patiently, for some statement from the University as to a fair appraisal value which they will pay us. In the meantime, the District has acquired a splendid piece of property in a strategic position adjacent to the University which has every assurance of never being condemned in the future. Also, a rectory has been purchased on a F.H.A. loan with monthly payment far below what was formerly paid for rent. We have been assured by the University authorities that we will not be moved before the end of this academic year, i.e. about June 30th. An architect is being sought to draw plans for the first unit of the new plant so that we will have a place for our students and congregation to live and worship next September. There is never a dull moment in the College Work but it has produced results and merits the support of the whole District as it does the whole Church.

Arizona State, Tempe. Whether you add to the title of this Institution the word College or University, the Rev. William A. Pottenger continues to work with a loyal, devoted congregation, who have been personally building the first unit of their plant, with the aid of a wonderful gift of $25,000 from the United Thank Offering of the

Church, granted us at the last General Convention. Of course, the fact that the labor is donated by members of the Congregation under the direction of an expert builder is a great source of economy and we hope that soon, the building will be complete, and further plans can be carried forward in completing this whole Church enterprise.

It is a matter of deep gratitude for the whole District that a most generous layman, Mr. Scott Appleby, has supported most generously this work ever since it began. And this year again, he has expressed his desire to repeat his gift of $3,000 for the benefit of St. Augustine's parish and college work group. The land, finally acquired, after four separate efforts has turned out to be in a very good location, and we look forward with hope and confidence at this growing Institution.

WOMAN'S AUXILIARY

There have never been in the history of the Church christian altars where women did not do much necessary serving. This is certainly true of Arizona, and the increasing work and the more developed, mature planning that is being brought into the whole organization of our Auxiliary, is a continuing source of encouragement to those who care about the spreading of the Kingdom.

In this Missionary District, we want to express a particular word of gratitude for the devotion, leadership, and indefatigable work of the retiring President, Mrs. Eugene Cecil Seaman, who will give here estimate of the work at the Joint Session tomorrow. This lady has given a splendid witness of missionary zeal that she learned as the wife of the late Bishop of North Texas. She has given of her entire energy to this cause. Arizona cannot soon forget her example.

LAYMEN'S WORK

This Department has certainly awakened the Church throughout our whole nation, and we are beginning to realize, indeed, more and more, the need for strong, lay leadership in this Jurisdiction. No one has made this leadership more evident than Mr. Stephen Shadegg who read the Lesson at this Service tonight as the very proper representative of lay power in the District. Several days ago, I accepted the resignation of this layman as Chairman of the Presiding Bishop's Committee on Laymen's Work in this Missionary District in order that he might accept the Chairmanship of the same Committee for the entire Western part of the Church known as the 8th Province. We are proud, indeed, to have a layman from this state given this tremendous responsibility. He has just finished an extra term as Senior Warden of the Cathedral in the critical period of its history. We hope that the Laymen's Work in this District will reflect his leadership as long as memory lasts.

THE PARISHES

At the end of 1956, there were fifteen self-supporting congregations, erected as parishes, in this Jurisdiction. Since that time, another parish has been erected. Brought into being by St. Philip's In The Hills, Tucson, St. Michael's & All Angels congregation was declared a Parish on February 2nd, and the Rev. John Clinton Fowler was instituted as Rector. There are two other congregations who are already independent as far as outside support is concerned. In one, the Vicar wisely suggests to his people that they do not attempt parochial status until they have 100 communicants. In the other, there is an intense building campaign going on, and they expect soon to be independent but not to forget their missionary obligations. This is a steady encouragement to everyone. It is obvious that parishes and more parishes are the supporting power of any jurisdiction. The erection and maintenance of a future diocese must be made possible largely through its parishes.

In this connection, there are several parishes in this Jurisdiction that are meeting difficult times with great courage. They are not large, and have maintained their self-support with sacrifices and splendid devotion. On the other hand, I hope that as we grow in Arizona that we will not fall into the practice of building up enormous congregations which the largest possible staff cannot properly shepherd. I do not believe that any clergyman can really shepherd more than 3 or 4 hundred people. The tendency in the Episcopal Church throughout the country to build up great, super-successful parishes, has not developed personal religion that is necessary to an effective discipleship. They are successful, but unfortunately, in a social way, very similar to a well-crowded country club where the dues can be held very low!

MISSIONS

The mission congregations of any Jurisdiction are an index of its true spiritual vitality. Please let us realize that no matter how soon or how long it takes us to become a diocese, we must always have Missions because we must always be missionary. There are missions that can reasonably expect to and should become parishes. There are other missions both in small and alrge communities that must always be sustained. It is our duty to shepherd our scattered members, and the spiritual dividends pay off when so many of these souls come to live in a community and find their Church soon

after they have found their home. College Work must always be a missionary enterprise, and it is only right to constantly emphasize and honor the sacrifice of our missionaries. Sometimes their work seems to be so small, but let us all remember that a missionary does not have a stenographic force or parish secretary or a financial department to take care of the infinite number of details. Many times, their people are not numerous and are very scattered. Remember, too, that they receive usually a low salary and that their sacrifice continues through retirement, for their pensions are lower when they certainly ought to be higher than anybody else's. Every effort is going to be made to raise the salaries of missionaries.

SPECIAL MISSIONS

The National Council generously appropriates funds to help maintain our special Missions to the Mexican-Americans and to the native, "first" Americans, generally known as Indians. There is no more difficult missionary work attempted in the continental limits of our Church. And the picture is not uniformly encouraging.

In the Spanish Missions at San Pablo and Buen Samaritano, the Rev. Mr. Dugan and his devoted wife have been struggling alone for too long a time. Although there are not a large number of communicants, these Missions have had, in the past, a definite influence, and they may well continue to do so. But we must find those who are willing to undertake this missionary work, both a clergyman and a U.T.O. worker. It is a significant fact that in the area of Phoenix where these Missions exist, the Roman-Catholic Church and many other denominations are now beginning various types of missionary enterprise. Certainly, this is a worthy ideal to help develop the christian citizenship of those who have come to us from across the Border.

Our Good Shepherd Mission to the Navajo has passed its 60th year, and continues to be a vital, expanding influence among the Navajo people, the largest tribe of native Americans in existence. The Rev. Davis Given, ably assisted by the Rev. John Davis, and Mr. John Howell, the Business Manager, and the five U.T.O. Workers, are continuing their work for the Master in the area of Fort Defiance. There is a definite development in the building of many schools here for Navajo children, one of which is next door to our Mission. There are many complex problems in this Mission: the Government-supported Orphan Home, and the problem between institutional development and great evangelism is ever before us. The permanent outstations of the Mission and the Bible Schools conducted in many distant points during the summer are continuing the Christian influence.

Again, Mr. Arthur Vyning Davis through Episcopal Church Foundation has made possible the continuance of an over-all plan of reconstruction of many buildings which will improve the plant enormously, cut down the repair bills, and make the whole institution of greater use for the spread of Christ's Kingdom. But this does not cover the expenses of administration, nor does the Government payment for the care of its orphans, nor the appropriation from the National Council. The Good Shepherd Mission must still depend upon generous, annual contributions.

St. Andrew's, Havasupai. Last November 13th one of the heroines of this Church, retired from this Mission after eight years of devoted service. Miss Laetitia Viele has returned to her home in Buffalo, New York. I happen to know that she has already tried to find missionary work there, rejoining the Seneca Indians where she labored before coming to us. Her courage and devotion should never be forgotten in the annals of missionary work in this area.

Some months previous to Miss Viele's retirement, she left for a vacation, during which time, without any word previously to her or to the Rev. Mr. Harris, the clergyman in charge of this Mission, or to the Bishop, an enemy of the work proceeded to undermine the Tribal Council and held a meeting in which they were persuaded to exercise their rights to invite the United Indians Missions, Inc., to send a clergyman and his wife as official missionaries to Supai Village, and to give them the right to build a Church. Since there are only 100 to 120 residents in the Village, it seemed absurd to have two Christian churches and missionary endeavors being conducted there. But the Tribal Council acted under their rights under the Constitution. This action was protested to all the authorities and nothing could be done. Miss Viele returned, and the Rev. Mr. Harris visited the Canyon. The group there gathered around Miss Viele and the Church with the same devotion. It appears that only a few members of the Tribal Council were aware of the enemy's maneuver. The new missionaries held Services after the Services held in our Chapel, theirs being held in the school building. The entire congregation of our Church would move over and attend the second Service with truly ecumenical impartiality. One humorous answer came from the question as to the opinion of the congregation, a simple soul said, "Well, now we seem to have two Santa Clauses instead of one."

Since Miss Viele retired on November 13th, and the United Indian Missions have two very sincere, competent missionaries in Supai, brought there at the official request of the Tribal Council, it has been thought wise for the time being not to place a com-

peting missionary team in that Village. The Rev. Mr. Harris will continue to visit the Canyon Village periodically and will hold Services of the Holy Communion in our Chapel. We hope that we can renew our activities there in due time.

RECOMMENDATIONS

We are gathered in this assemblage for the democratic procedure of setting forth and legislating for the spread of Christ's Kingdom in Arizona during the ensuing year. You will be asked to pass a budget which is already in operation to a certain extent, in which there is a considerable appropriation for the various Departments and Committees that are appointed to plan the steady progress and administration of this Jurisdiction. First of all, may I say that it is hoped to avoid over-centralization of administration in the District. We are growing too large for that kind of system. Certanly, it must be changed when we become a diocese. It has been our constant effort to spread the memberships of the departments and committees of the District over the widest possible area. But this has produced terrific hardship on those who have to come from long distances to committee meetings and some have made it difficult for their committees because they could not come. The clergy have plead that they could not afford to come, but, in the light of this new budget appropriation, I recommend that the various departments and committees do meet at least four times a year and bring before the authorities and finally the Convocation those recommendations that you think are best for the District. There are so many things that you can see, in different parts of the District, far better than the Bishop no matter how much he travels. And that's what we want to know. Then, it is strongly recommended that there be built up a far better acquaintanceship between congregations throughout the entire District. This can begin in no better place than with the clergy. You must let the Bishop come and preach once a year on his annual Visitation at least. But I would strongly urge that the rectors of all parishes set aside several Sundays a year to invite clergymen from the missions or from other parishes to preach to their congregations. There are some brilliant preachers in this jurisdiction, one of whom I know has been ector of a parish for five years and has never been invited anywhere in this District to preach. He is invited very frequently outside of the District.

You are going to be asked to support the assessment and quota in this budget, and please remember that almost a third of what you contribute in your quota for missions goes for missions in Arizona. I should think each one of you would like to see those various missions, as well as your own, if you are in one. They are fascinating. They are interesting. They are heroic. And the whole District could benefit from this fellowship of exchanging pulpits frequently.

OBJECTIVES

It is always appropriate to close with a vision of the future. As you know, the Presiding Bishop was given an anonymous gift of a million dollars some time ago. This was given to the Episcopal Church Foundation and immediately made available for loans at no interest. We have already listed requests for over a hundred thousand dollars because of the church building objectives in this Jurisdiction. Already in the process of building new Churches are All Saints, Phoenix, and Grace Church, Tucson. Probably St. Paul's, Yuma, will soon have to build a new Church. St. Peter's, Casa Grande is building new Church School rooms; St. Matthew's, Chandler, has bought a lot for a Church: St. Michael's, Coolidge has an over-all plan and wants to build the second section of their plant this year; All Saints, Safford, is planning an extension of their present small Chapel for this year; St. Augustine's, Tempe, is completing the first unit of their Church plant; St. Paul's, Tombstone, plans to build new Sunday School rooms; St. Michael's, Tucson, has completed a rectory. The new District Missions—Epiphany on the Desert, Gila Bend, have acquired a lot for a Church; and St. Mary's Phoenix, is established in rented quarters at 19th Avenue and Bethany Home Road.

You will hear a report of a most interesting nature on the Diocesan Expansion Fund by the Chairman of that great effort. We have an objective there, too, with which I would like to challenge everyone in the District. Let us remember that 1959 is the Centennial of the First Bishop being appointed over this area. I would like to request the General Convention of 1958 to allow us to become a diocese during 1959. It may have to be the last day of that year. We will have to draw up a new, revised Constitution and Canons for a diocese before that time, and the Committee will be appointed for this.

Again, let us pray for Diocesan Status, for many more souls for Christ, and for selfsupport in 1959, and a greater future Church for our children and our children's children.

Let us Pray. O God, Heavenly Father, who gave Thine only Son to save and redeem us, by the power of Thy Holy Spirit, grant Thy Church in Arizona, the will to give back more of ourselves to Thee. Grant that we may become self-sustaining, and thus

win more souls to Christ. Grant that we may thus justify a century of faith and generosity on the part of the National Church, and our many friends through the years. And finally, grant that in our giving each member of the Church may try to measure the Love and Sacrifice of Thy Son, Jesus Christ, Our Lord. Amen.

November 1, 1956

(Investment Committee only)—Mr. Eugene Lew reported the recommendations of the Investment Committee with regard to investing funds of the District, particularly the first $300,000. from the Arizona Diocesan Expansion Fund drive. Bishop Knisolving read a letter from the treasurer of National Council setting forth the particulars of the investment pool fund in their custody. It was the sense of all members present that an investment trust could be set up at a local bank that would be more advantageous to the District than by investing in the pool at National Council. (A subsequent letter from the treasurer of National Council stated it would not be practical to invest in their pool since we anticipate attaining diocesan status within the next three years.).

DISTRICT FINANCE OFFICE
Annual Report—1956

With the exception of four missions, payments on the Quota and Assessment were paid in full. One of the missions paid its Assessment in full and another only neglected to pay the small amount due for December on both Quota and Assessment. The other two were the Mexican Mission in Phoenix with understandable financial reverses. St. John's Church, Globe was the only congregation overpaying its Quota.

The Lenten Mite Box Offering for 1956 amounted to $2,725.90, $71.66 less than the $2,797.56 received in 1955. Since action of the last general Convention forbids applying the Lenten Offering of the children of the Church to a congregation's Quota, the District as a whole really did a commendable job in payments on the Quota and Assessment.

The Quota was overdrawn in the amount of $163.34 which would not have hapened if all congregations had paid their apportionments of the same.

There was a balance of $1,890.93 in the Assessment, $500.00 of which is to be held for expenses of Deputies to General Convention and $52.92 held to apply on the 1957 Assessment of one mission that included this amount in a payment for some 1956 items. Disposition of the remaining $1.338.01 is recommended to this convocation as follows:

$ 163.34	Deficit in 1956 Quota
44.00	Blue Cross—Blue Shield
545.00	1957 Quota to National Council
200.00	Auditing
385.67	Office Expense
$1,338.01	

Our expansion and growth have resulted in proving our former accounting system to be inadequate for future needs. Due to a revision of the same, additional funds are anticipated for 1957 for auditing and accounting costs. The $100.00 customraliy placed in the budget each year for this purpose should be sufficient in subsequent years. Mr. Dixon Fagerberg, Jr. was the CPA who set up the new system. Since he has faithfully audited our accounts at no charge for some years past, we feel you will approve our action in engaging him to revise our accounting system and finally paying him a justifiable fee.

It will readily be understood that our expansion and growth will tend to increase our office expenses and for this reason the $385.67 was requested by the undersigned in addition to the amount in the budget.

The amount of $23.500.00 in our budget for our Quota to National Council was an estimated figure. We were later asked to assume the amount of $24,045.00, $545.00 more than we had anticipated. Rather than add this to the District Quota, it was felt preferable to pay it from the balance in the 1956 Assessment.

The $44.00 for Blue Cross-Blue Shield is for payment of uncollectible premiums.

Annual payments on the National Council loans have been received in good order except for two congregations. Receipt of these two payments are necessary in order to make our composite payment to National Council. Notices of payments due were mailed out and it will be appreciated if the clergy of those congregations receiving such loans will check with their treasurers to ascertain whether their annual payments have been made.

The Liability Insurance for the District will be handled through the Church Agency Corporation, a subsidiary of The Church Pension Fund, beginning January 1, 1957. There is every reason to believe a reduction in premiums will be realized through this agency. Their letter of February 1, 1957 stated the details were being worked out and they hoped to have the policy in our hands in sufficient time to permit distribution of copies of a breakdown of the premiums at this Convocation. In the event they are unable to supply the new policy in time, the breakdown of the premiums will be mailed to you in the near future.

The automobile fleet policy which permits breaking down the annual premiums into monthly installments, continues in force for the convenience of the clergy wishing to take advantage of the same.

Two matters have annually been called to your attention. First, all clergy are asked to impress upon their treasurers the importance of keeping pension assessments paid currently. Not only is interest charged on overdue premiums, but the pension status of every clergyman in the District is jeopardized by such delinquencies and could result in a widow failing to receive the customary immediate lump sum grant of $1,000.00 Despite our calling this to your attention on other occasions, monthly reports from the Church Pension Fund still indicate a number of congregations in arrears in their payments.

Second, we again reuqest that all contributions and offerings for special purposes, such as, Advent Offering for Good Shepherd Mission, Theological Education, Good Friday, Presiding Bishop's Fund for World Relief, American Church Building Fund Commission, etc. be sent through the District Office with checks made payable to the Missionary District of Arizona. Our accounts will then reflect an accurate record of our support of these projects. Checks made payable to the designated project, even though sent through the District Office, cannot be recorded in our books.

The never failing cooperation of the clergy and treasurers in all fiscal fatters is gratefully acknowledged. The chief function of a district office is to coordinate effort and increase the effectiveness of the same. Your continued support will enable us to attain this end.

Gratefully and respectfully submitted,

Rosebud Rudolph
(Mrs. Raymond Rudolph)
Assistant Treasurer

REPORT OF THE DEPARTMENT OF CHRISTIAN EDUCATION

1. The Department members being located in widely separated areas, only two meetings were held since Convocation, 1956. In addition, Conferences with the Clergy of the District, with the Maricopa Clericus and with Clergy and Teachers at the summer Conference, however, were planned and comlpeted.

2. The Laboratory on Church and Group Life has been developed in some Parishes. Part of its purpose is to help members to develop sensitivity to the needs and concerns of others within a group situation; also to help members to understand and improve their behavior in group situations. The Laboratory program offers an excellent resource for strength and improving our work with groups, that the Gospel may be truly preached, truly received and truly followed.

3. In November a Teachers Training Course was directed by The Rev. Donald Davies and Miss Emma Benignus. There had been adequate notice and publicity, yet the Church Schools did not take advantage of this excellent opportunity. One teacher came from Tucson, three from Yuma and only three Parishes in Phoenix participated.

4. Three Parent classes are operating in three parishes.

5. The Youth Summer Conference is set for Prescott, June 2-9; The Family Conference June 9-16. The Department is assisting in setting up an adequate curriculum with staff for these occasions.

6. The Department calls the Church to mean business about its Christian Education and Christian Life. The overreaching objective is holiness; life in Christ; active participation in the life of the Church seen in its supernatural perspective as the redeemed body. The ypical Church School, the typical parish's life has not been enough. It is a revolution in the Church School, and one which must penetrate parish life at every level if it is to succeed in the Church School.

Otto Gallagher, Chairman.

REPORT OF THE BOARD OF EXAMINING CHAPLAINS MISSIONARY DISTRICT OF ARIZONA

The Board of Eaxmining Chaplains of the Missionary District of Arizona reports that during 1956 one candidate was examined June 21 of this year for qualifications for the diaconate and priesthood. The examinations were made by three members of the Board. The candidate examined was John K. Becker, a graduate of the University of Arizona and of the Church Divinity School of the Pacific.

Examinations are now being scheduled twice annually, in the Fall and after graduation in the Spring. The Joint Commission on Theological Education of General Convention advises that ordinations not be held until following Seminary or preparation examinations.

REPORT OF THE DEPARTMENT OF YOUTH FOR 1956

The Department of Youth held one meeting during the year. Its report is as follows:

The Young People's Fellowship District Convention was held at Epihpnay Church, Flagstaff the weekend of November 9th thru 11th. One hundred young people and ten adults were present which marked a substantial increase over past years. Perhaps changing the date from the Thanksgiving weekend partially accounted for it. An excellent convention was held and those responsible for its success are to be commended. The Bishop's challenge: a mimeograph machine for youth work in the district has been purchased. The YPF has pledged a sum of $300.00 to make up the deficit of the Summer Conference. The young people are underwriting the costs of their district newspaper. If there should be any money remaining, it will be applied on improvement of the Conference grounds.

The YPF newspaper has been named The Arizona Young Churchman, Publication on a bi-monthly basis has begun. Its circulation is about 900. Commnets on this have been very favorable.

Mention of the Summer Conference will be given in the report of another department. It is sufficient to say here that it was excellent.

Officers of the District YPF are President, Gordon Rogers; Vice-president, John Guthrie; Secretary, Beverly Birt and Treasurer, Amanda Barr. The clergy advisor is the Rev. William A. Pottenger, Jr. There has been no lay advisor this year. Congratulations to these leaders for their excellent work.

Respectfully submitted,

Charles H. Crawford
Chairman

ARIZONA HEALTH LEAGUE

The total assets as of December 31, 1956, show an increase of $2,891.54 over the amount at the end of 1955.

At the present time thereis about $6,000.00 available for a mortgage loan investment.

With regard to the advances made to St. Luke's Hospital in the sum of $10,500.00 in 1955 to cover operating deficits, it is my recommednation that St. Luke's refund these advances to the Arizona Health League as and when funds are available.

REPORT OF THE SUMMER CONFERENCE COMMITTEE FOR 1956

The Summer Conference Committee met four times during the year. Its report is as follows:

Two conferences were held at the Arizona Church Conference Center at Prescott. The Youth Conference met June 10-17. There were 97 registered full time young people, 19 staff members, and 2 kitchen helpers supported directly by the Conference. Total income was $2,324.92. Disbursements to date total $2,173.41. There is a balance due the Arizona Church Conference Center of $369.95 which the district young people are underwriting by action taken at their district convention. The deficit was caused by having a larger staff. All involved however have agreed that the larger staff is necessary. To prevent a deficit in 1957 the price has been increased from $20 to $24 plus the usual $1.00 registration fee. If twenty more campers had attended last year, there would have been no financial deficit. The Dean of the Conference, the Rev. Dallis L. Harris and his staff deserve our thanks for a job well done.

The Family Conference met from June 17-24. A total of 148 people attended plus 18 on the staff, excluding the kitchen help. Of this total only 27 were adult campers. People attended from Phoenix, Tucson, Casa Grande, Sacaton, Yuma, Williams, Ajo, Ft. Defiance, Winslow and Douglas. Financially this conference operated in the black, however the faces fo Episcopalians in Arizona should be red from shame in lack of support of this Conference. The Dean of the Family Conference, the Rev. E. Otto Gallagher and his staff did an excellent job.

Your committee recommends that every parish and mission in this district promote these two conferences by establishing scholarships and in other ways making it possible for some more people to participate in these adventures in Christian communities.

The dates of the conferences for 1957 are June 2-9 for the Youth Conference and for the Family Conference, June 9-16.

Respectfully submtited,

Charles H. Crawford
Chairman

REPORT OF COMMITTEE ON CHURCH ARCHITECTURE—1956

The Committee on Church Architecture has had not stated meetings as a committee during 1956.

Consultation and approval have been given for a Parish House at All Saints Chapel, Safford, and for a Church School extension for St. Peter's Church, Casa Grande. Correspondence has been conducted regarding future building plans with St. Paul's Church, Yuma, and St. Barnabas-on-the-Desert, Scottsdale.

Respectfully submitted,

REPORT
COMMITTEE ON CANONS
OF THE
MISSIONARY DISTRICT OF ARIZONA
1956

The only request made for a change in the Canons was made by St. Luke's Church, Prescott, concerning authority to incorporate. On advice of the Chancellor, the present Canons allow incorporation. This matter was not submitted.

The Chairman has received repeated verbal suggestions from most sections of the Missionary District recommending a general revision of the Canons. In anticipation of Diocesan status, it is suggested that provision should be made at this Convocation for the creation of a Committee in this regard.

The Reverend Paul L. West,
Chairman

REPORT OF THE DEPARTMENT OF PROMOTION FOR 1956

Your chairman met in San Francisco last spring with National Council and Provincial representatives of the Department of Promotion, and was presented with the new plan for the Every Member Canvass. He in turn, and with the Bishop, spoke at the three Deanery Meetings in the fall and presented this plan to all clergy and laity present. While no factual report of the results of the Every Member Canvass is available, we do believe that the new plan was used in a good many of our parishes and missions with quite some success. What reports we have would indicate that this is true.

Organizing Arizona into the Deanery set-up was certainly a step forward, and it is expected that the popularity of the annual Deanery meetings will grow, and that the meetings can be used increasingly for general educational and promotional purposes.

The new plan for the Every Member Canvass, incidentally, calls for a year-round program of education in Christian Stewardship, and for the giver to give to our Lord's work in a measure according to what he has received—rather than asking him to give to a budget.

Dallis L. Harris
Chairman

Our goal is to have a monthly issue, readable and well illustrated and informative.

The Episcopal Theological Seminary of the Southwest
Austin, Texas

A meeting of the Board was called for April 10th last at which time Mr. Richard Olson, business manager and makeup editor was present. Since that time the complications arising from two points of publication, Prescott and Tucson, have caused delays and therefore our plans have been altered.

The November issue was printed in Prescott and edited comlpetely there by the Editor of the paper. Hereafter this plan will be effective. The response for news from the various churches has been good but not 100 percent perfect. Many churches have appointed correspondents from their congregations for this purpose.

CHURCH SCHOOL BY MAIL REPORT
1956

Church School by Mail in Arizona is serving 54 children of 24 famliies in 17 towns. These towns include Pinon, of the Navajo Reservation, McNeal, Audley, Drake Section, Paulden, Fry, Aravaipa Canyon, Bagdad, Marana, Date Creek and Hillside. We serve families of cattle ranchers, miners, Navajos, railroad workers, airplane technicians, building contractors and invalids. The ages of our people range from three months to 77 years. We have two former Arizona Episcopal families now in Alaska who are far from the ministry of a priest, who desire to have their children Episcopal trained. One of these families is 300 miles from the nearest priest, and the Bishop of Alaska is glad to have us continue our ministry there in this way.

New families coming into Church School by Mail are pledging to the work as they enter. This phase and the offerings of those already enrolled is helping to put the work on a more self-supporting basis. Contracts with the nearest priest are made when new families enroll.

Last summer the L. Ernest Moberg family visited 27 Church School by Mail families in 17 towns covering 2500 miles. It brought closer fellowship and a real understanding of the work and the lessons needed to carry it on effectively. It also meant an adventuresome and rewarding experience for us, for we found these isolated folk rich in resourcefulness as we shared bed and board with them.

These trips also brought a joyous interchange of fellowship to Deaconess Ward, who started this work in Arizona and carried it on with spiritual growth for ten years under great handicap.

Three scholarships for Prescott Summer Conferences were received from Trinity Guild and the Women's Auxiliary of Trinity at the Cathedral and the Grace Church, Tucson, Guild. This enabled 3 Church School by mail youngsters to enjoy Christian fellowship.

We appreciate the services of Mrs. Walter Biddle and Mrs. Doris Barr of the Cathedral staff who mimeographed for us; Miss Elsa Myers who cut stencils and Mrs. Rosebud Rudolph, our Treasurer. The Rev. Dr. and Mrs. Cloude Boydston of St. Mark's, Mesa, have also given generously of their time and efforts in cutting stencils and mimeographing.

We have showed our colored slides and spoken to six women's and church school groups about Church School by Mail. These included 220 people, one of which was translated into Spanish. Let us come to your group to tell you about this interesting Mission.

CHRISTIAN SOCIAL RELATIONS DEPARTMENT REPORT 1956

During the past year we saw the consumation of a dream and an endeavor of the last fifteen years: a law requiring a physical examniation before marriage. When the legislature turned it down, we helped the groups that put it through as a referendum. We wish to thank all who worked on the measure and the many who helped on the legislation to eliminate discrimination in places of public accommodation. The latter bill passed the house and went through all but two committees in the Senate, largely because of pressure of churches across the state. Keep up the good work.

We have continued to work with the Ariz. Council of Churches Dept. of Christian Social Relations, of which your chairman was also chairman. Many of our women and our clergy in a number of communities have helped in the Migrant Ministry under the able leadership of Mr. William Koch, especially in welfare work in and around Phoenix, Tucson, and towns in the cotton area. The Governor's Committee on Migrant work, which we helped set up, has begun functioning and is helping to solve some of the more difficult problems, and making surveys of others, looking to a long range solution.

In this latter connection, we urge all parishes and missions to cooperate further with the Arizona Council of Churches and the Migrant ministry in their fruitful efforts to establish better coordinated social welfare programs for each local community. Much progress in this field has been made since my 1955 report of a preliminary survey made to the Arizona Council Department. Keep abreast of this welfare work by contacting Mr. Koch.

We have worked with the National Council in placing in the Phoenix area four Dutch-Indonesian refugee families through the cooperation of St. Paul's, All Saints, Trinity and San Pablo. Other communities in the state should receive some of these and other refugee families.

In retiring as chairman of this dept. after more than a decade of work, I wish to thank all who have aided so ably in our endeavor to better social conditions in our communities.

Walter H. Dugan, Chairman.

REPORT OF THE WORK OF THE COMMITTEE ON ARMED FORCES—1956

Luke Air Force Base. Calls are received, normally from the Base Hospital, for sick visits and ministrations, plus the Holy Eucharist. The present Chaplain is very cooperative with respect to our services. Personnel are invited by bulletins and otherwise to attend Cathedral services. Several have responded by joining instruction groups preparing for Confirmation. Others attend meetings of the recently formed Mens' Group at Trinity.

Phoenix Veterans Hospital. Our Chaplain has made 38 calls the past year. He is responsible for the "out-patients" as well as those hospitalized. Private communions are included in his ministrations. Rev. George Smith of All Saints in this work. The Rev. E. O. Gallagher is Chaplain in charge of all work in the Phoenix area.

Davis-Monthan Air Force Base. This SAC Base attained new importance the past year when crews based there broke the speed records of previous globe-girdlers. A high point for local clergy was an orientation day arranged by Base Chaplain Taylor and conducted by Brig. General Edmundson and others. About 85 Protestant, Catholic and Jewish clergy attended. Briefings and flight line tour was followed by lunch at the NCO Club attended by the General and members of his staff. Current policy of the Baes Chaplains' office is to urge men to attend services in the church of their denomination in Tucson, or some nearby community. There are 67 officers and airmen who are Episcopalians, at last reported. An airman served part of the year as crucifer at Saint Andrew's. A sprinkling attend all our churches and in contacts made, are urged to attend, with their families, any one of our churches.

Marana Air Force Base, Marana. One of the most fruitful contacts ever made was with Lt. Bill Reid, a student-pilot officer whose Father is Rector of our Church in Titusville, Pa. He was our frequent dinner guest and happy contacts were made with his family when they came out for his graduation at the end of the 9 month course. The Church was responsible for his creditably passing his flying tests, he felt, and on leaving he made a substantial contribution to Saint Andrew's Building Fund. There were other rewarding contacts. In the course of the next year, the Base is slated to discard primary props for a type of primary jets. Rev. Lewis Sasse is Chaplain for installations in the Tucson area.

A report from the Rev. J. Jay Hughes mentions occasional attendance of Ft. Huachuca personnel at services in Bisbee and points out that this work is being handled from elsewhere.

Respectfully submitted,

Lewis Sasse, Chairman
Chaplain (Major) United States Air Force Reserve

SUPPLEMENTARY REPORT ON ARMED FORCES WORK BY THE REV. CLAUDE C. BOYDSTON

I have a weekly visitation at Williams Field. There are at the present time 141 Episcopalians at the base. I was fortunate to be invited by the Chaplain staff secretary of the air base to be their speaker on a mission which went for six days and nights and we are trying to steer these people in through the local churches, trying to steer them away from Trinity Cathedral because of distance; however, it does not take effect. Seriously, we are trying to see these people get to their local churches because it is better than having a Sunday afternoon communion. We have excellent cooperation for the commanding officer of the base. Things are looking well. We have five now under instruction for confirmation.

REPORT OF THE CHAPLAIN

ARIZONA STATE COLLEGE, FLAGSTAFF—1956

The Religious Preference Cards at the college indicate that there are approximately 60 Episcopal students enrolled this year. Several of these are local adults and young people who are taking courses at the college and have been a part of the regular life of Epiphany Parish for some time.

A very faithful nucleus of the out-of-town students have made Epiphany their parish home, and they attend services regularly, teach in the Church School, sing in the choir and attend parish activities in general.

A group of ten to twenty students has met fairly regularly on Sunday evening for Evening Prayer and for a discussion period to follow. It isn't at all unusual to have fifteen to twenty students present at the morning services of the Church.

The chaplain taught eight classes during religious emphasis week, and has been invited in as guest lecturer about eight times during the year.

The following parochial statistics for 1956 are directly related to the Church's program on the campus: 2 Baptisms, 7 Confirmations, 3 Marriages. 12 students are now being prepared for Confirmation, 6 are receiving instruction in preparation for spring marriages. It is surprising and encouraging to note the great number of the students who are willing to walk practically across town for counselling in the parish office.

The post-Easter retreat was held at Good Shephard Mission, Fort Defiance, with students from both the state colleges attending. A retreat at Havasupai Canyon is planned for the week following Easter this year.

The Woman's Auxiliary has been helpful in every way possible. The only reason the local group has not done more for our college program is because the chaplain has not asked them to do more. The $100 gift annually from the District W. A. to the chaplain's discretionary fund has helped make possible some "open house" gathernigs at the rectory, and it has helped defray some of the expenses of the annual retreat for students.

The chaplain attended the annual College Workers' Conference at the School of the Prophets, San Francisco, last February.

REPORT OF THE CHAPLAIN

ST. AUGUSTINE'S EPISCOPAL STUDENT CENTER

ARIZONA STATE, TEMPE, FOR THE YEAR 1956

The program of St. Augustine's Mission and Student Center during this past year has been geared to the developing facilities available as our building program continues.

During the Spring Semester of 1956 our activities continued to be centered at the Varsity Inn, a coffee shop near the campus owned by members of the mission, Mr. and Mrs. Nels Jensen, who also served as parish sponsors for the Canterbury Club. Meeting activities were varied being centered around lectures and discussions. Hot coffee was always available, and the coffee pot was usually the first stop as the students arrived.

On the first Sunday evening of each month the Jensens opened their home for a dinner meeting, which was usually followed by games and recreation. Average attendance at these dinner meetings varied from 15 to 30.

The Chaplain during this period continued to use the Varisty Inn as his 'on-campus' office, planning regular hourse of availability to students. For personal conferences appointments were made here for consultation elsewhere in private.

During the summer of 1956 our congregation comlpeted the roofing over of our new building and the Chaplain moved his office into the unfinished space that would later be finished as an office.

In the fall of 1956 Canterbury Club meetings were scheduled for the new building. The semester's activities began with two swimming parties held at the home of members of the mission, Mr. and Mrs. James Henry. The participation of the students in the early activities of the semester dropped down considerably from the previous spring due to the graduation of most of the former members. In addition the university found itself so seriously short of classroom space for the greatly increased enrollment that many night classes had to be added to the curriculum. The resulting effect on the moral of the students caused a great dropping off in attendance at all of the campus functions. After reviewing the situation with the students who were active in Canterbury the Chaplain decided that it would be best to suspend regular meetings of the Canterbury Club for the balance of the Fall Semester.

Plans were laid for the reactivating of Canterbury when the spring semester got underway. The first activity of the new semester is to be a chicken dinner followed by a guest speaker to be held in the new, still uncompleted, building on Sunday evening, February 17.

During the period of inactivity of Canterbury the Chaplain continued to make himself avaliable to the students for personal counselling and many students availed themselves of this opportunity.

The university this year has an enrollment of over 7000 students. Of these 225 are either members of or have expressed a prefeernce for the Episcopal Church. Most of these Episcopal students commute from their homes in thhe Phoenix, Mesa, Scottsdale area. On the average weekend approximately 40 Episcopal students remain in the Tempe area. Attendance at our Sunday services on the part of students varies from 15 to 20 per Sunday.

In summation, the type ofactivities which we hope to offer to the students at this central Arizona University are still pending the completion of our building program. To date we are still building with volunteer labor, having saved well over $10,000 by this method. Progress is necessarily slow but the day is not too far in the future that our Church and Student Center will be completed. It is to that day that we in Tempe, both on and off the campus, are looking.

W. A. Pottenger, Jr., Chaplain

REPORT OF THE CHAPLAIN
UNIVERSITY OF ARIZONA—1956

Present enrollment at the U. or Arizona is 8800 students, of these about 750 are Episcopalians, or those who prefer this Church. Of the 750 approximately half are inhabitants of Tucson, and belong to one or another of the five local parishes. This leaves about 375 who are out-of-town and out-of-state students, and the particular concern of the Chaplain and the Student Center.

The usual attendance at the 4 Sunday Services in St. Paul's will come to an average of 100 students per Sunday. The Evening Prayer Servcie will average an attendance of 32, who will also take part in the Canterbury Club meeting and program whcih follows.

During the year 1956 there were; 11 U. of A. students baptized, of 15 adults. 17 U. of A. students confirmed of 20. And of 15 weddings there were 22 U. of A. students as principals.

The Chaplain conducts two classes each week for those who plan to become members of the Church; who may later be baptized and confirmed. These classes are also attended by present members who wish to take a refresher course in the Faith. Average attendance is 15 per class, making a total of 30 per week.

During the academic year, from September thru May, the Chaplain will average about 35 hours per week with students in counselling guidance sessions. Problems brought to the Chaplain range from the academic, thru social and psychological difficulties, and encompassing a great range of religious problems, especially those involving mixed marriages.

The Episcopal Student Center is open every day the University is in session, and will be used by 20 to 40 students each day as a lounge, study room, music room, etc. This usage is not of Episcopal students only, but Methodist, Baptist and Roman Catholic students are also regular visitors to the Center, and even take part in various social activities,although not always participating in the religious program.

The Chaplain celebrates a 6:45 Eucharist every Friday morning for the Students, average attendance will be 22, ranging from 17 to 33.

The work of the Center, and attendance at the Services of the Church is seriously impeded at the present time by the expansion and building program of the University. St. Paul's and the Center are now literally in the midst of a large parking lot, used by faculty and students.

The Center is supported by pledges from the congregation of St. Paul's, St. Philips In The Hills, Grace Church, all of Tucson; and from St. John's of Globe, and the W. Aux. of the District of Arizona. To these good people who keep our work going, the Chaplain and Board of Control would like to extend a most heartfelt gratitude.

During the past year, in preparation for the time when the University will purchase St. Paul's and Center, a lot has been purchased at the N.E. corner of Vine and Speedway where the new St. Paul's and Center will be built. And, due to the great generosity of Mrs. Stanley Matthews, there is now a Rectory and residence for the Chaplain, only two short blocks north of the new lot.

Respectfully submitted,

Rev. Thomas A. Bogard, M.A.
Chaplain, University of Arizona

RESUME OF ACTIVITIES OF ST. LUKE'S-IN-THE-DESERT TUCSON, ARIZONA

Following is a brief resume of the activities at St. Luke's in the Desert, Tucson, Arizona for the year 1956. During this period 32 patients were cared for. There were 20 admissions and 15 patients discharged for a total of 5,461 hospital days. Status of patients discharged—apparently cured 4, arrested 2, improved 5 and unimproved 4.

St. Luke's Board of Visitors contributed $4,797.52 toward operating expenses. The Woman's Auxiliary, Diocese of Chicago gave $375.00 and the Woman's Auxiliary, Diocese of Missouri gave $150.00 to purchase linens. Gifts of jellies and canned fruit were received at Christmas from St. Paul's Auxiliary, Tombstone and St. Andrew's Guild, Nogales. Gifts totaling $327.46 were received from various individuals.

ST. LUKE'S HOSPITAL, PHOENIX, ARIZONA

St. Luke's Hospital celebrates its golden anniversary this year, having been established under the auspices of the Episcopal Church ni 1907 as St. Luke's Home.

The opening of the new heart and chest diagnostic center at the hospital is scheduled this spring. This is particularly appropriate since St. Luke's has set its course toward specialization in the care of patients with heart and/or lung conditions. This medical center, which has been named the Louis G. Galland Memorial Wing, will bring to Arizona much new equipment only recently developed in this field.

Although St. Luke's is specializing in heart-chest diseases, I would like to point out that the hospital is equipped for general surgery and medical cases; and also that in 1956 we became full participating members of Arizona Blue Cross.

A golden anniversary booklet is now being prepared which will give a full report of St. Luke's today as well as a summary of St. Luke's record of service since 1907. We will be very happy to supply any interested church rgoups with copies of this illustrated booklet for their members.

GOOD SHEPHERD MISSION, FT. DEFIANCE

I would like to report very briefly on a few things of the past year. As you all know, one of the great things that happened to this mission was that Father Davis came to us. All Saints let him come to serve as the second priest on the staff commission. Also one member of our staff left during the year, Deaconess Pauline Watson, with us several years. No other changes in the staff commission.

We have a very large staff numbering about twenty-one people in all. This great number is mostly due to the fact that part of our work is child care. This means we have to have people on duty all of the time, looking after children, and a larger number of people than usual working in the kitchen and on the upkeep of our buildings because we care for children the year round.

The institutional work of the mission, as most of you know, is concerned with the year-round care of a small group of young children placed with us by the welfare grant of the Indian Service, with care during the school year of a larger group of older children, families of our congregation. These children come to us not through the welfare because we have asked them to stay with us during the school year, thinking this gives us a good opportunity to have them live in a Christian community and a chance to teach them more about Christianity and their Church.

The Mission carries on, as in the past, as best it can. We are faced always with difficulties in our evangelical work. One difficulty which I think perhaps not every one realizes, is the language difficulty. A large percentage of the adult Navajo people know very little or no English and you might say about 100% of our staff have little or no Navajo. So we have this difficulty in communication. So in the culture of the people among whom we live and work, there are very few points in common with the culture which Christianity has developed and grown up. We are not always sure we illustrate our point well or that we are explaining or trying to explain properly, and to do for people so there will be common understanding about teaching of the gospel.

We receive annually $10,000 from the National Council of the Protestant Episcopal Church. In addition, we receive the salaries for five of our women workers. This represents a total of funds appropriated by the Church for the support of the Mission during 1956.

We receive $9,733 from the U. S. Government for the care of the younger children placed with us through welfare. These two figures plus the salaries for five women workers represent our total income for the past year. Over half of our income comes from voluntary gifts. We are very much dependent upon voluntary support of interested people in Arizona and the rest of the country. Our total income, including this, for 1956 came to $71,600. Our total disbursements and expenses for that year $71,934. I have referred to these figures to show it is a big undertaking which the District of Arizona and National Church has in Good Shepherd Mission.

The biggest item in our disbursement or expense for the year was $29,000 in salaries for the clergy and most of the employees and members of the staff. On other large items of expenditure are utilities, heating, and money we have to spend every year for upkeep of cars in transportation.

Respectfully submitted,

COMMITTEE ON THE STATE OF THE CHURCH AND THE BISHOP'S ADDRESS

The Church in Arizona is obviously developing real strength, particularly with respect to the number of parishes, and has carried through a Capital Funds Campaign for endowing the Episcopate and for Missions and Expansion which many Churchmen in Arizona (including this chairman) thought impossible.

It is also a fact that, despite these great changes, the Jurisdiction, through long habit, continues to function as if the day of Diocesan Status were still many years away: committees of great importance do not so much as meet, those that meet do too little concrete planning, and the entire load of responsibility is thrown upon the Bishop as if this Missionary District has just been born. Certain improvements recently made, as, e.g., the provision of traveling allowances for members of District committees, ought to deprive us of some excuse for this lax state of affairs; but only the aggressive leadership of the committees themselves, charged with responsibility by the Bishop and by Convocation, can bring into play the many abilities of the District's many loyal servants and release the Bishop to the sufficiently heavy duties with which he is charged by the Church.

THE WORK OF THE CHURCH PERIODICAL CLUB OF THE MISSIONARY DISTRICT OF ARIZONA—1956

Owing to the fine cooperation of practically all of the branches of hte Auxiliary throughout the State and many individuals, the Church Periodical Club has a very good year to report. The work was under the direction of Miss Cornelia Lyne and Mrs. K. H. Talbot.

Cash contributions of $277.70 from 32 guilds and branches of the Woman's Auxiliary, have been paid to our treasurer, who had a balance on hand of $43.75 March 1, 1956. In addition $103 was expended by individuals from their own bank accounts and $41 by parishes who sent magazines direct to missionaries, making a grand total of $424.70 for receipts during the year.

Our treasurer sent $100 to the Book Fund (at National Headquarters) to help furnish Bibles and Prayer Books, medical, scientific, and technical books, to missions all over the world. Our State Church Periodical Club also gave books worth $33 to several Arizona ministers, and subscribed for magazines totalling $116.70 for missionaries.

More than 30 missionaries receive magazines through the Arizona Church Periodical Club. Also hundreds of magazines are remailed by Churches and individuals.

Letters of appreciatoin are frequently received which show the value of the work. From India, comes the following: "I am indeed grateful for the work of the Church Periodical Club. You are doing a great service. We in India cannot afford to buy books with our small salaries, which are insufficient even for one person's living."

It will be appreciated if individuals remailing magazines will notify our new Director, Mrs. K. H. Talbot, 4314 North 20th Street, Phoenix, Arizona, giving the names of the magazine and the name of the person to whom it is sent. Contributions may also be sent to Mrs. Talbot.

REPORT OF THE DEPARTMENT OF MISSIONS TO THE 64TH CONVOCATION, THE MISSIONARY DISTRICT OF ARIZONA

There has been no meetings of the members of this Department in the past twelve months. We did attempt to bring a speaker from the Department of Missions of the National Council that he might address some of the churches in Arizona as in the past two years. However, this plan did not materialize.

The Chairman of the Department has been present at called meetings of the Diocesan Status and Expansion committee which will provide funds for future mission development in this area.

REPORT OF THE CHANCELLOR

The Bishop referred to the new canons being drawn up. Anticipating that many of the Parishes may wish to incorporate in the meantime, and in order that we may be ready for that move we have considered modern articles of incorporation with the Rev. Mr. Robinson, Mr. Drew of his vestry, the Rev. Mr. West and members of the vestry of St. Barnabas and with the Bishop. Mr. Gollwitzer will have these modern articles mimeographed. If any one would like to take advantage of them, we will leave them with the Bishop. You can get copies from him if you wish to incorporate in the meantime.

REPORT OF THE MARITAL RELATIONS BOARD

The Marital Relations Board held no meetings during 1956.

REPORT OF THE COMMITTEE ON CREDENTIALS AND NOMINATIONS FOR THE YEAR 1956

In accordance with pertinent canons of the Missionary District of Arizona, nomination blanks were mailed to all clergy of the District entitled to vote at Convocation. A stamped self-addressed envelope was included with a request that nomination blanks be returned by return mail, but only one-third of the clergy availed themselves of the opportunity to make nominations.

Ballots will be made up from nominations received and printed for the District Convocation of February 13-14, 1957.
